*These books may not be read in this order, but they will be listed on the appropriate syllabus soon.

**While some of the books listed for 7th and 8th grade may appear to be at a lower level, it is intentional as they will be analyzing the texts within their writing curriculum.

***Books in yellow will be used for Book Club gatherings and not used within the HS Writing class

***Many of these books should be available at your local library. However, we understand there may be many people that would like to purchase these books for their home libraries. You may want to check out used book websites like abebooks.com or thriftbooks.com, or even local thrift shops to find these books at great prices, or you can ask within the Ascend community if anyone already owes the book. They may also be available as audiobooks through your local library and they are a joy to listen to.
